

Our Proposition:

Protects your assets, adds value & client satisfaction, lessens risk and makes you money!

The EIS Program:

Equipment Insurance Services specializes in providing equipment lessors and finance companies with a complete and innovative on-line lease insurance management solution. EIS's replacement cost property coverage is quoted, issued, bound, monitored and billed via our website, www.QuoteEIS.com in a simple, easy to use format. Using QuoteEIS.com guarantees instant automatic coverage at lease origination, fulfilling the lessor's coverage requirements while protecting your assets and expediting the funding process. Premiums are billed monthly and included on your client's regular lease statement. The EIS program offers convenience, service and additional income by passing the insurance cost along to your lessee's as a separate fee while you monitor, control and administer the insurance program to your customers.
